

# SCLC General Supply Wish List

While financial contributions are always welcome and important to the SCLC's operations, some individuals, groups, and organizations choose to donate supplies. Please contact us if you plan to bring something that is not on the list. Items in bold type are a high priority.

Thank you for supporting the Sarapiquí Conservation Learning Center!

<u>Educational and Art Supplies</u>	<u>Environmental Education Supplies</u>	<u>General Office and Computing Supplies</u>

Please contact the Center prior to mailing supplies. Since boxes are flagged for customs and held at the central post office in San José, it becomes difficult for the Center to acquire these supplies. We prefer that boxes be sent to a courier in the US who will bring supplies upon trips to the area.

Please contact the assistant director at the following email for further details:
